Bharat Innovates 2026

About Bharat Innovates 2026 Bharat Innovates 2026 is India's premier deep tech showcase, bringing together the brightest minds and boldest ventures shaping tomorrow. This year, 109 cutting-edge startups from across the country will present solutions across 13 spotlight sectors — from Advanced Computing, Space

& Defence, and Semiconductors to Healthcare, Energy, AI, Biotech, Sustainability, and Smart Mobility.

More than an exhibition, Bharat Innovates is where research meets industry, ideas meet investment, and innovation meets impact. Join us as we celebrate the technology, creativity, and entrepreneurial spirit driving India's transformation.

Join us as we celebrate the technology, creativity, and entrepreneurial spirit driving India's transformation.

Connect with founders, investors, policymakers, researchers, and industry leaders.
